## 2. RE-ELECTION OF RETIRING DIRECTORS

The Board currently consists of six Directors, comprising three executive Directors, namely Mr. Chang Chih-Kai, Mr. Chang Chih-Chiao and Mr. Wang Jungang, and three independent non-executive Directors, namely Mr. Huang Shun-Tsai, Mr. Hon Ping Cho Terence and Mr. Tan Philip.

Pursuant to Article 84 of the Articles of Association, Mr. Chang Chih-Chiao and Mr. Huang Shun-Tsai will retire and, being eligible, offer themselves for re-election at the AGM.

In addition, in accordance with Article 83(3), Mr. Tan Philip, being an additional Director appointed by the Board on 2 August 2021, will retire and, being eligible, offer himself for re-election as an independent non-executive Director at the AGM.

Each of the retiring Directors has indicated his willingness to offer himself for re-election at the AGM.

The re-election of the retiring Directors has been reviewed by the Nomination Committee of the Company which made recommendations to the Board that the re-election be proposed for the Shareholders' approval at the AGM.

The Nomination Committee had assessed and reviewed the written confirmation of independence of each of Mr. Huang Shun-Tsai and Mr. Tan Philip based on the independence criteria as set out in Rule 3.13 of the Listing Rules and is satisfied that each of them remains independent in accordance with Rule 3.13 of the Listing Rules. ---

## LETTER FROM THE BOARD

---

He has also participated in all of the board meetings and committees meetings of the Company over the last two years. Mr. Huang has been able to fulfill the independence requirements as an independent non-executive Director over the years, and to the best knowledge of the Directors, he is independent from other Directors and the management of the Company, and is free from any business or other relationships or circumstances which could interfere with the exercise of his independent and professional judgement. The Board is therefore of the view that the long service of Mr. Huang would not affect his exercise of independent judgement and were satisfied that he has the required character, integrity and experience to continue to fulfill the roles of an independent non-executive Director.

In addition, Mr. Huang is familiar with the Group's business and culture. He is also an entrepreneur on health and technology industry for over 30 years who has been and can continue to provide various advice to the Board from different perspectives, and has contributed to the effectiveness of the Board for the interest of the Shareholders. Besides, Mr. Huang, currently the chairman of the Nomination Committee and a member of each of the Audit Committee and Remuneration Committee of the Company, has also been continuously providing valuable guidance to the Board. Each of The Nomination Committee and the Board has assessed the above factors and performance of Mr. Huang and endorsed the view set out above.

Having considered the above-mentioned factors, the Board shared the view of the Nomination Committee and is of the opinion that each of Mr. Huang Shun-Tsai (despite serving as an independent non-executive Director for more than 9 years) and Mr. Tan Philip still maintains an independent view of the Company's affairs and is able to carry out his duties as independent non-executive Director in an impartial manner.

The biographical details, interests in the Shares and other information required to be disclosed pursuant to Rule 13.51(2) of the Listing Rules of the Directors proposed for re-election at the AGM are set out in Appendix II to this circular.

No Share Option has been granted to Mr. Wang within the 12-month period prior to the Conditional Grant.

### **(iii) Reasons for the Conditional Grant of Share Options**

As part of the Group's remuneration policy, the grant of Share Options (including the Conditional Grant) aims to motivate and stabilise senior management and key employees of the Group, strive for a successful transitional and future development of the Group as well as achieve overall strategic goals of the Group.

Mr. Wang has been appointed as the Executive Director and Chief Operating Officer in October 2020. He is responsible for the overall sales operation and the development of brand licensing business of the Group. Mr. Wang was a co-founder of Shanghai Tai Yue E-Commerce Ltd., also known as Tailorism, an online made-to-measure startup company which aims to provide solutions for fitting of clothing based on 3D modeling and big data computing, and acted as its chief executive officer from October 2014 to October 2020. He has extensive experience in establishing financial models, and strategic and business operation planning. He was previously the chief operating officer of Shanghai Muyao Textile Ltd. (Shirley Pajamas) from February 2012 to September 2014 and worked at Morgan Stanley Management Service (Shanghai) Ltd. as an analyst from August 2008 to January 2012.

---

## LETTER FROM THE BOARD

---

Mr. Wang obtained a master's degree in Computer Software and Theory from Peking University in July 2008 and a bachelor's degree in Computer Science and Technology from Nanjing University of Science and Technology in July 2005.

Under the current arrangement between the Group and Mr. Wang, Mr. Wang is entitled to a modest remuneration of RMB60,000 per annum. As the executive Director and Chief Operating Officer, Mr. Wang provided advice and leadership in the Group's brand licensing business which has been a major and growing revenue of the Group. Brand licensing business has become the largest contributor of the Group since the year of 2021 where the licensing fee income increased by 10 times compared to 2020. He also co-ordinates and formulates different general business and operational strategies of the Group. Furthermore, the revenue derived from the brand licensing business of the Group has increased from HK\$5.2 million to HK\$58.2 million for the year ended 31 December 2021. Having also considered Mr. Wang's industry experience, past and expected future contribution to the Company is significant and the stability of the key personnel being crucial to the future development of the Group, the Directors (including independent non-executive Directors) are of the view that the conditional grant of 51,800,000 Share Options to Mr. Wang can supplement his current remuneration package as an additional incentive and align his interest with those of the Group and is fair and reasonable and is in the interests of the Company and its Shareholders as a whole. The grant is also consistent with the purpose of the 2013 Share Option Scheme, namely, to provide incentives or rewards for Mr. Wang's contribution or potential contribution to the Group.

#### **(iv) Listing Rules Implications**

Pursuant to Rule 17.04(1) of the Listing Rules and the 2013 Share Option Scheme, the Conditional Grant has been reviewed and approved by the independent non-executive Directors. Mr. Wang has also abstained from voting in the Board meeting on the resolution for the approval of the Conditional Grant to him.

Further, pursuant to Rule 17.03(4) of the Listing Rules and the 2013 Share Option Scheme, where any further grant of options to a participant would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the relevant class of Shares in issue, such further grant must be separately approved by the Shareholders in general meeting with such participant and his close associates (or his associates if the participant is a connected person) abstaining from voting at the general meeting.

As the total number of Shares issued and to be issued upon full exercise of the 51,800,000 Share Options granted to Mr. Wang represents over 1% of the Shares in issue as at the Grant Date, and has an aggregate value, based on the closing price of the Shares as at the Grant Date, in excess of HK\$5 million, the Conditional Grant is subject to approval by the independent Shareholders at a general meeting pursuant to Rules 17.04(1) and 17.03(4) of the Listing Rules. Mr. Wang and his associates must abstain from voting in favour at the general meeting.

## LETTER FROM THE BOARD

To the best knowledge, information and belief of the Directors having made all reasonable enquiries, no Shareholders will be required to abstain from voting on the resolution in relation to the grant of Share Options to Mr. Wang.

#### **4. PROPOSED ADOPTION OF 2022 SHARE OPTION SCHEME AND TERMINATION OF 2013 SHARE OPTION SCHEME**

The 2013 Share Option Scheme will expire on 27 August 2023. As at the Latest Practicable Date, (i) the Company had granted Share Options (including the Conditional Grant) to subscribe for a total of 157,770,000 Shares under the 2013 Share Option Scheme; and (ii) the total number of Shares in respect of which Share Options (including the Conditional Grant) had been granted and remained outstanding under the 2013 Share Option Scheme was 134,650,000 (representing approximately 7.42% of the Shares in issue as at the Latest Practicable Date). The Board confirms that no further Share Options will be granted under the 2013 Share Option Scheme prior to the date of the AGM. Other than the 2013 Share Option Scheme, the Company has no other share option scheme put in place as at the Latest Practicable Date.

According to the terms of the 2013 Share Option Scheme, the Company may by resolution in general meeting or the Board at any time terminate the operation of the 2013 Share Option Scheme and in such event no further options may be granted but the provisions of the 2013 Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any outstanding options granted prior thereto or otherwise as may be required in accordance with the provisions of the 2013 Share Option Scheme, and any outstanding options granted prior to such termination but not yet exercised at the time of termination shall continue to be valid and exercisable in accordance with the terms of the 2013 Share Option Scheme.

## LETTER FROM THE BOARD

---

In view of the expiry of the 2013 Share Option Scheme, and in order to continue to provide the Company with the flexibility of granting Share Options to the Directors, employees and other persons as incentives or rewards for their contribution or potential contribution to the Group, the Directors proposed to adopt the 2022 Share Option Scheme and terminate the 2013 Share Option Scheme (which will be conditional upon the 2022 Share Option Scheme becoming unconditional in all respects) in accordance with its terms, subject to the approval by the Shareholders at the AGM. The termination of the 2013 Share Option Scheme is not conditional upon completion of the Conditional Grant.

As at the Latest Practicable Date, the Company has no current plan or intention to grant Share Options to any eligible participants (in particular, any independent non-executive Directors) upon adoption of the 2022 Share Option Scheme.

Subject to obtaining approval from the Shareholders with respect to the adoption of the 2022 Share Option Scheme and the termination of the 2013 Share Option Scheme, the total number of Shares which may be issued upon exercise of all Share Options to be granted under the 2022 Share Option Scheme and any other scheme must not in aggregate exceed 10% of the Shares in issue as at the Adoption Date. Share Options lapsed in accordance with the terms of the 2022 Share Option Scheme and any other share option schemes of the Company will not be counted for the purpose of calculating such 10% scheme mandate limit. The maximum aggregate number of Shares which may be issued upon exercise of all outstanding Share Options granted and yet to be exercised under the 2022 Share Option Scheme and any other share option scheme of the Company must not exceed 30% of the total number of Shares in issue from time to time.

As at the Latest Practicable Date, there were 1,814,056,622 Shares in issue. Assuming that there is no change in the issued share capital of the Company from the Latest Practicable Date up to the Adoption Date, the total number of Shares which may be issued upon exercise of all Share Options to be granted under the 2022 Share Option Scheme (i.e., the scheme mandate limit) will be 181,405,662, representing 10% of Shares in issue as at the Adoption Date.

On the basis of 1,814,056,622 Shares in issue as at the Latest Practicable Date, the 30% limit allows there to be outstanding options granted and yet to be exercised under the 2013 Share Option Scheme and any other share option scheme of the Company amounting to 544,216,986 Shares. Accordingly, assuming that all of the outstanding options (including the Conditional Grant) under the 2013 Share Option Scheme to subscribe for an aggregate of 134,650,000 Shares (representing approximately 7.42% of the Shares in issued as at the Latest Practicable Date) are exercised, and even if the scheme mandate limit under the 2022 Share Option Scheme (being Share Options to subscribe for up to 181,405,662 Shares) is to be utilised in full in granting Share Options, the total number of Shares that will be subject to all such Share Options (i.e. 316,055,662 Shares, representing approximately 17.42% of the Shares in issued as at the Latest Practicable Date) will be within the 30% limit.

### (ii) Principal terms of the 2022 Share Option Scheme

The operative terms and conditions of the 2022 Share Option Scheme are similar to those of the 2013 Share Option Scheme. Except for a narrower class of eligible participants and the modification to the rules for alteration of the 2022 Share Option Scheme and cancellation of Share Options (which the grantees will have no right to object to such alteration or cancellation) under the 2022 Share Option Scheme (please refer to paragraphs (b), (s) and (t), respectively of Appendix III for further information), there are no material difference in major terms between the 2013 Share Option Scheme and the 2022 Share Option Scheme. The 2022 Share Option Scheme will constitute a share option scheme under Chapter 17 of the Listing Rules and the terms of the 2022 Share Option Scheme are in accordance with the provisions of Chapter 17 of the Listing Rules.

A summary of the principal terms of the 2022 Share Option Scheme is set out in the Appendix III. A copy of the 2022 Share Option Scheme will be published on the websites of HKEXnews ([www.hkexnews.hk](http://www.hkexnews.hk)) and the Company ([www.daphneholdings.com](http://www.daphneholdings.com)) for not less than 14 days before the date of the AGM and a copy of the 2022 Share Option Scheme is available for inspection at the AGM.

The eligible participants under the 2022 Share Option Scheme (as with the 2013 Share Option Scheme) include any full-time or part-time employees, officers or directors including any executive Directors, non-executive Directors and independent non-executive Directors) of the Group (the “**Eligible Participants**”).

The 2022 Share Option Scheme does not stipulate either a minimum period for which a Share Option must be held or any performance target a grantee is required to achieve before an Share Option may be exercised. However, under the 2022 Share Option Scheme (as in the case of the 2013 Share Option Scheme), the Board may determine, at its sole discretion, such terms and conditions on the grant of an option. This determination may vary on a case by case basis but no such terms will be imposed the result of which will be to the advantage of the Eligible Participants. Each of the Board and the Remuneration Committee is of the view that under appropriate circumstances, imposing a performance target may not be necessary in granting a Share Option. For instance, the grant was mainly for the purpose of recognising the past contribution of an Eligible Participant (which in essence may be analogous to a bonus payment). By contrast, in the case of motivating an Eligible Participant for providing meaningful contribution to the Group on an on-going basis, it is likely that the Share Options to be granted will be subject to performance target. The Board and if necessary, the Remuneration Committee will carefully assess individual cases in reviewing any proposed grant. The basis for the determination of the subscription price is specified in the terms of the 2022 Share Option Scheme and the Board may, with respect to each grant of Share Options, determine the exercise price (being not less than the minimum price specified in the Listing Rules) of the Share Options. Overall, the terms of the 2022 Share Option Scheme will provide the Board with flexibility in imposing appropriate conditions in light of the circumstances of each grant and help to achieve the purpose of the 2022 Share Option Scheme.

No trustee has been appointed under the 2022 Share Option Scheme. None of the Director is or will be a trustee of the 2022 Share Option Scheme nor has a direct or indirect interest in the trustee, if any.

### (iii) Conditions of the 2022 Share Option Scheme

The adoption of the 2022 Share Option Scheme is conditional upon:

- (i) the approval of the adoption of the 2022 Share Option Scheme by Shareholders at the AGM; and
- (ii) the Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the Shares which may be issued upon the exercise of the options which may be granted under the 2022 Share Option Scheme.

An application will be made to the Stock Exchange for the listing of, and permission to deal in, the Shares which may be issued upon the exercise of the options under the 2022 Share Option Scheme.

### (iv) Value of the Share Options

The Company considers that it would not be appropriate to disclose in this circular the value of the options that may be granted under the 2022 Share Option Scheme as if they have been granted as at the Latest Practicable Date, as various determining factors (including but not limited to exercise price, exercise period, and lock-up period (if any)) for the calculation of such value cannot be reasonably ascertained at this stage. It would not be meaningful and may even be misleading to Shareholders if the value of the options is calculated based on a set of speculative assumptions. However, the Company will disclose the value of any options granted during a financial year or a particular period in its annual report and interim report based on the Binomial Options Pricing Model or a generally accepted comparable methodology.

## 5. PROPOSED AMENDMENTS TO MEMORANDUM AND ARTICLES OF ASSOCIATION

The Board proposes that certain amendments be made to the Memorandum and Articles of Association to, among other things, (i) bring the Articles of Association in alignment with the Core Shareholder Protection Standards set out in Appendix 3 to the Listing Rules and make corresponding changes to the Articles of Association; (ii) provide flexibility to the Company to convene and hold hybrid general meetings and electronic general meetings; (iii) reflect certain updates in relation to the applicable laws of the Cayman Islands and the Listing Rules; and (iv) incorporate certain housekeeping amendments (collectively the “**Proposed Amendments**”). Accordingly, the Board proposes to adopt the New M&A in substitution for, and to the exclusion of, the Memorandum and Articles of Association.

The full text of the proposed New M&A (marked-up against the conformed version of the Memorandum and Articles of Association published on the websites of HKEXnews ([www.hkexnews.hk](http://www.hkexnews.hk)) and the Company ([www.daphneholdings.com](http://www.daphneholdings.com))) is set out in Appendix IV to this circular. The Chinese translation of the proposed New M&A is for reference only. In case of any discrepancy or inconsistency between the English version and its Chinese translation, the English version shall prevail.

## LETTER FROM THE BOARD

---

The legal advisers of the Company as to Hong Kong law have confirmed to the Company that the Proposed Amendments comply with the requirements of the Listing Rules and the legal advisers of the Company as to Cayman Islands law have confirmed to the Company that the Proposed Amendments are not inconsistent with the laws of the Cayman Islands. In addition, the Company has confirmed to the Stock Exchange that there is nothing unusual about the Proposed Amendments.

The Proposed Amendments are subject to the approval of the Shareholders by way of a special resolution at the AGM.

The Memorandum and Articles of Association are currently published on the websites of HKEXnews ([www.hkexnews.hk](http://www.hkexnews.hk)) and the Company ([www.daphneholdings.com](http://www.daphneholdings.com)). After the relevant special resolution has been approved by the Shareholders, the New M&A will be made available on the aforesaid two websites as soon as practicable.

### **AGM AND VOTING BY POLL**

The notice of the AGM is set out on pages AGM-1 to AGM-5 of this circular.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of the Shareholders at the AGM must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The results of the poll will be published on the websites of HKEXnews ([www.hkexnews.hk](http://www.hkexnews.hk)) and the Company ([www.daphneholdings.com](http://www.daphneholdings.com)) in the manner prescribed under Rule 13.39(5) of the Listing Rules.

To the best knowledge, information and belief of the Directors having made all reasonable enquiries, no Shareholders will be required to abstain from voting on each of the resolutions to be proposed at the AGM.

## **APPENDIX I                      EXPLANATORY STATEMENT ON REPURCHASE MANDATE**

---

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to the Shareholders for their consideration of the proposed resolution in relation to the Repurchase Mandate.

### **1.        LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions. The Listing Rules provide that all proposed repurchases of shares must be approved by the Shareholders in advance by an ordinary resolution either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

### **2.        SHARES IN ISSUE**

As at the Latest Practicable Date, there were a total of 1,814,056,622 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to a maximum of 181,405,662 Shares which represents a 10% of the total number of issued Shares as at the date of passing such resolution.

### **3.        REASONS FOR REPURCHASES**

The Directors believe that the grant of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Repurchases may, depending on the circumstances, result in an enhancement in the net asset value and/or earnings per Share. The Directors are seeking the grant of a general mandate to repurchase Shares to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regarded to the circumstances then pertaining.

### **4.        FUNDING OF REPURCHASES**

There might have a material adverse impact on the working capital or gearing position of the Company in the event that the proposed Shares repurchases were to be carried out in full at any time during the proposed repurchase period. However, repurchases must be made out of funds legally available for such purpose in accordance with the Articles of Association, the laws of the Cayman Islands, the Listing Rules and any other applicable laws. It is envisaged that the funds required for any repurchases would be derived from the distributable reserves of the Company.

The Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

**5.      SHARE PRICES**

The highest and lowest prices at which Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date are as follows:

	Price per share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2021</b>		
April	0.197	0.165
May	0.195	0.156
June	0.183	0.159
July	0.190	0.152
August	0.188	0.168
September	0.178	0.160
October	0.177	0.157

<b>2022</b>

February	0.179	0.146
March	0.165	0.120
April (up to the Latest Practicable Date)	0.138	0.127

**6.      TAKEOVERS CODES**

If, as a result of a share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of The Codes on Takeovers and Mergers and Share Buy-backs (the "**Takeovers Codes**") issued by the Securities and Futures Commission of Hong Kong. As a result, a Shareholder or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

## APPENDIX I EXPLANATORY STATEMENT ON REPURCHASE MANDATE

Warrior Limited is wholly owned by Teresaeleven Inc., which in turn is wholly owned by Ms. Quan Qizi. Teresaeleven Inc. and Ms. Quan are deemed to be interested in 329,456,045 shares of the Company held by Warrior Limited.
- (3) Mr. Chen Tommy Yi-Hsun and Ms. Chen Jennifer Yi-Chen have beneficial interests of 50% each in Top Glory Assets Limited, a company incorporated in the British Virgin Islands. By virtue of the SFO, they are deemed to be interested in 174,908,895 shares of the Company held by Top Glory Assets Limited.
- (4) Pushkin Holding Ltd. is solely owned by Mr. Chen Ming-Yuan.

Based on the current holding of the above Shareholders, an exercise of the Repurchase Mandate in full would not result in any of them becoming obliged to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Codes.

---

**APPENDIX I                      EXPLANATORY STATEMENT ON REPURCHASE MANDATE**

---

The Directors are not aware of any consequences which may arise under the Takeovers Codes as a result of any repurchases made under the Repurchase Mandate. The Company, however, has no intention to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

**7.        SHARE REPURCHASES MADE BY THE COMPANY**

No repurchase of Shares (whether on the Stock Exchange or otherwise) has been made by the Company during the six months immediately preceding the Latest Practicable Date.

**8.        UNDERTAKING**

The Directors have undertaken to the Stock Exchange that they may exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate only in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he has present intention to sell Shares to the Company nor has any such person undertaken not to sell any Shares held by him to the Company in the event that the Repurchase Mandate is granted.

The particulars of the retiring Directors proposed to be re-elected at the AGM are as follows:

A resolution of the Board or the board of directors of the relevant subsidiary to the effect that the relationship of a grantee has or has not been terminated on one or more of the grounds specified in this paragraph shall be conclusive.

**(n)      Rights on winding-up**

In the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as or soon after it despatches such notice to each member of the Company give notice thereof to all grantees and thereupon, each grantee (or his legal personal representative(s)) shall be entitled to exercise all or any of his options (to the extent not already exercised) at any time not later than two business days prior to the proposed general meeting of the Company referred to above by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given, whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot the relevant Shares to the grantee credited as fully paid and register the grantee as holder thereof.

No such alteration will be made the effect of which would be to enable a Share to be issued at less than its nominal value. The issue of securities as consideration in a transaction is not to be regarded as a circumstance requiring any such alterations.

**(r)      Expiry of option**

An option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (i) the date of expiry of the option as may be determined by the Board;

Options granted prior to such termination but not yet exercised at the time of termination shall continue to be valid and exercisable in accordance with the 2022 Share Option Scheme.

**(v) Administration of the Board**

The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such Notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.
26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.
27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.
28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

#### FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
  - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, ~~an~~ Notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.
37. Any share so forfeited shall be deemed the property of the Company and may be sold, re allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.
39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Articles as to forfeiture shall apply in the case of non payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:
- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
  - (b) the date on which each person was entered in the Register; and
  - (c) the date on which any person ceased to be a Member.
- (2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
44. The Register and branch register of Members, as the case may be, shall be open to inspection for at least two (2) hours during business hours by Members without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the ~~Law~~Act or, if appropriate, upon a maximum payment of \$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. Subject to the ~~rules of any Designated Stock Exchange~~Listing Rules, notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue;
  - (b) determining the Members entitled to receive ~~n~~Notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the ~~rules and regulations of the Designated Stock Exchange~~ Listing Rules that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the ~~Law~~ Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the ~~rules and regulations of the Designated Stock Exchange~~ Listing Rules that are or shall be applicable to such listed shares.
47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the LawAct.
49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
  - (b) the instrument of transfer is in respect of only one class of share;
  - (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the LawAct or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
  - (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended in respect of any year if approved by the Members by ordinary resolution.

#### TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.

53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
54. A person becoming entitled to a share by reason of the death or bankruptcy or winding up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 72(2) being met, such a person may vote at meetings.

#### UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;
  - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and

- (c) ~~the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice of its intention to sell such shares to, and caused advertisement both in newspapers~~daily newspaper and in a newspaper circulating in the area of the last known address of such Member or any person entitled to the share under Article 54 and where applicable, in each case in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

~~An annual general meeting of the Company shall be held in each year other than the year of the Company’s adoption of these Articles (within a period of not more than fifteen (15) months after the holding of the last preceding annual general meeting or not more than eighteen (18) months after the date of adoption of these Articles, unless a longer period would not infringe the rules of the Designated Stock Exchange, if any) at such time and place as may be determined by the Board.~~

All business conducted at the meeting up to the time of such adjournment shall be valid.

64D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or

place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.

64F All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

64G Without prejudice to other provisions in Article 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy ~~or, in the case of a Member being a corporation, by its duly authorised representative~~ shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person ~~(or being a corporation, is present by a duly authorized representative)~~; or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.
- (2) ~~Where~~In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative~~ or by proxy for the time being entitled to vote at the meeting; or
  - (b) by a Member or Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative~~ or by proxy and representing not less than one tenth of the total voting rights of all Members having the right to vote at the meeting; or
  - (c) by a Member or Members present in person or ~~in the case of a Member being a corporation by its duly authorised representative~~ or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member ~~or in the case of a Member being a corporation by its duly authorised representative~~ shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the ~~rules of the Designated Stock Exchange~~Listing Rules.
68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the ~~Law~~Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.
- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All Members have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.
- (23) Where the Company has knowledge that any Member is, under the ~~rules of the Designated Stock Exchange~~ Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

#### PROXIES

75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.

76. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.
77. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the ~~the~~ Notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting ~~in person~~ at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two way form) and the Board may, if it thinks fit, send out with the Notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.
79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the Notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.
80. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply mutatis mutandis in relation to any such attorney and the instrument under which such attorney is appointed.

#### CORPORATIONS ACTING BY REPRESENTATIVES

81. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including, where a show of hands is allowed, the right to vote individually on a show of hands.

- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive ~~n~~Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

#### BOARD OF DIRECTORS

83. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place by the subscribers to the Memorandum of Association or by a majority of them and thereafter in accordance with Article 84 called for such purpose and who shall hold office for such term as the Members may determine or, in the absence of such determination, in accordance with Article 84 or until their successors are elected or appointed or their office is otherwise vacated.
- (2) Subject to the Articles and the ~~Law~~Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy on the Board, or as an addition to the existing Board.
- (3) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or as an addition to the existing Board. Any Director so appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of Members after his appointment and be subject to re-election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.
- (4) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive ~~n~~Notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.

- (5) The Members may, at any general meeting convened and held in accordance with these Articles, by ordinary resolution remove a Director at any time before the expiration of his period of office notwithstanding anything to the contrary in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).
- (6) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (5) above may be filled by the election or appointment by ordinary resolution of the Members at the meeting at which such Director is removed.

  - (2) A retiring Director shall be eligible for re election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re election or appointment and so that as between persons who became or were last re elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to Article 83(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.
85. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a Notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a Notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Registration Office provided that the minimum length of the period, during which such Notice(s) are given, shall be at least seven (7) days and that (if the Notices are submitted after the despatch of the notice of the general meeting appointed for such election) the period for lodgment of such Notice(s) shall commence on the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven (7) days prior to the date of such general meeting.

86. The office of a Director shall be vacated if the Director:
- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
  - (2) becomes of unsound mind or dies;

Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Article shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

An alternate Director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointor ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.
90. An alternate Director shall only be a Director for the purposes of the ~~Law~~Act and shall only be subject to the provisions of the ~~Law~~Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.

92. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re elected at the same meeting, any appointment of such alternate Director pursuant to these Articles which was in force immediately before his retirement shall remain in force as though he had not retired.

The ordinary remuneration of the Directors shall from time to time be determined by the Company in general meeting and shall (unless otherwise directed by the resolution by which it is voted) be divided amongst the Board in such proportions and in such manner as the Board may agree or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of remuneration related to the period during which he has held office. Such remuneration shall be deemed to accrue from day to day.
94. 96. The Board shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

97. A Director may:
- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine. 98. Subject to the ~~Law~~Act and to these Articles, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatsoever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established provided that such Director shall disclose the nature of his interest in any contract or arrangement in which he is interested in accordance with Article 99 herein.

135. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
  - (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
136. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case

of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
  - (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
    - (i) the basis of any such allotment shall be determined by the Board;

- (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
  - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non elected shares on such basis; or
- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
  - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

- (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

#### RESERVES

143. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the LawAct. The Company shall at all times comply with the provisions of the LawAct in relation to the share premium account.
- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.
- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.
145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the ~~Law~~Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
  - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to subparagraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
  - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
  - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
    - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

- (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
  - (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.

- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
