POSITIVE PROFIT ALERT

This announcement is made by Daphne International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of The Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited and Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2024 and the information currently available to the Board, it is anticipated that the Group will record a profit attributable to Shareholders of no less than RMB50 million for the six months ended 30 June 2024, representing a substantial increase of no less than approximately RMB19.3 million, or 62% as compared to a profit attributable to Shareholders of approximately RMB30.7 million for the corresponding period in 2023.

Based on the information currently available, the Board is of the view that such expected increase in profit was primarily driven by the significant increase in the Group’s revenue generated from licensing fee income and sales of goods.

The Company is in the course of preparing and finalising its unaudited interim results for the six months ended 30 June 2024. The information contained in this announcement is only a preliminary assessment by the Board based on the unaudited consolidated management accounts and the information currently available to the Board, which have not yet been reviewed by the audit committee of the Board or the Company’s auditors. Therefore, the actual results of the Group for the six months ended 30 June 2024 may differ from the information contained in this announcement, which may be subject to adjustments. Shareholders and potential investors are advised to refer to the details in the interim results announcement of the Company for the six months ended 30 June 2024, which is expected to be published by the end of August 2024.

Shareholders and potential investors are cautioned not to unduly rely on such information, and are advised to exercise caution when dealing in the shares in the Company.
